“The Texas Girls Coaches Association has been working with the Arlington Convention & Visitors Bureau every even year since 1988. TGCA is very appreciative for the guidance and service presented to us in a warm, congenial and sincere manner. We feel, through the efforts of the Arlington CVB, we are a part of the Arlington family. Our coaches look forward to coming to Arlington, because the hotels, convention center, restaurants, and entertainment venues make them feel special. We cherish our relationship with the Arlington CVB.”

– Sam Tipton, Executive Director
Texas Girls Coaches Association
