ARTS CLAYTON NOW OFFERING CANVAS & CORKS

Grab your friends and coworkers and head to Arts Clayton Gallery for Canvas & Corks. Try your hand at painting while a notable local artist leads the class and teaches you to create your own masterpiece; it might even be worthy enough to hang on your walls.

For \$35 per person, Arts Clayton provides all of the supplies, refreshments and beverages; all you need to bring is yourself and your creativity. "This is a great new way for people to enjoy the gallery and the CVB is always eager to promote new tourism products," says Danielle Conroy, Director of Marketing and Communications at the Clayton County Convention and Visitors Bureau. Whether you're a natural or end up with more paint on yourself than the canvas, it's sure to be a fun time. Sit back and have some fun as local artists guides you through creating a one-of-a-kind piece of art. One of the great aspects of Canvas & Corks is the location; right on Main Street in Jonesboro.

The first Canvas & Corks will be offered on May 31, 2013 from 6:30 pm until 8:30 pm led by Ada Astacio. Following the first class, Canvas & Corks will be held at the gallery the last Friday of each month and will be taught by different artists.

Call Arts Clayton Gallery at 770-473-5410 to schedule your experience at Canvas & Corks and be sure to visit them online at www.artsclayton.org/gallery. Find them on Facebook for the latest updates and other special events.

The Clayton County Convention & Visitors Bureau is the official tourism marketing agency for Clayton County. The CCCVB advertises and promotes the area to bring business to hotels, attractions, historical sites and meeting facilities within Clayton County and its neighboring communities.

Arts Clayton Gallery is a non-profit community art facility exhibiting original art by Georgia artists and is supported by partners, members, grants and donations.
