Downtown Mechanicsburg Partnership's Mission

Revitalize

downtown Mechanicsburg and be a magnet of opportunity for culture and innovation

Bring Together

diverse interests to create a unified vision of a vibrant town-center

Enhance

our quality of life by preserving and promoting our heritage and unique sense of place

The Downtown Mechanicsburg Partnership (initially named Main Street Mechanicsburg) is a 501(c)(3) non-profit organization formed in November 2004. The organization was created as a result of the Borough of Mechanicsburg's strategic planning process when public hearings and focus groups were held to identify priorities for the future. The Board of Directors is a fully volunteer organization comprised of local business people, business owners, and residents.
