## **REST 75 minutes for \$99 regular \$240**

A deeply relaxing head to toe massage uses precisely applied pressures and Swedish massage techniques to balance the nervous system and induce serenity. Let the earthy essential oils of vetiver and sandalwood lull you into the bliss of seaside slumber. This treatment is ideal if you are longing for tranquility or struggling with sleeplessness.

## **ESCAPE 75 minutes for \$99 regular \$260**

A 45 minute body treatment including full body exfoliation with detoxifying sea salts and layering of rich oils and creams are applied to refresh, hydrate and soften the skin.

While the body is enveloped in cotton linens, a luxurious scalp massage and a mini facial incorporating a pineapple and passionfruit enzyme is performed to exfoliate and provide powerful antioxidants to restore youthful softness and glow.
