

IOWA CITY

A COLLECTION OF CURIOUS COMMUNITIES

DESTINATION PLANNER

AN EASTERN IOWA WELCOME

Thank you for considering the Iowa City area for your next event! I have been very fortunate to help lead the destination marketing efforts of our community for almost 18 years. I am as honored today as I was when first provided this opportunity and the reasons are clear. Iowa City, Coralville, North Liberty, Johnson County and the University of Iowa make up a very special place. We are a cultured and diverse community. A place where critical discourse is truly revered. Collaboration is a way of life in this community where hard work is honored.

Our team here at the Convention & Visitors Bureau along with our truly fantastic community partners will settle for nothing less than providing you and your group an exceptional experience. As Iowans, we are, by nature, an incredibly generous and inviting people and it is our goal that you return home in agreement. We look forward to the opportunity to serve and please don't hesitate to reach out directly if our team can be of more assistance.
