

# Kansas Tourism Website & Marketing Criteria

The mission of Kansas Tourism (KST) is to encourage and promote the traveling public to visit Kansas by publicizing information as to the recreational, historic and natural advantages of the state and its facilities for transient travel and to contract with organizations for the purpose of promoting tourism within the state. In effort to accomplish this mission we encourage those Kansas entities with a tourism focus to participate in the marketing activities initiated by KST. Participation in any print, broadcast or digital media must first meet the criteria for listings or events on TravelKS.com. All content must be for a Kansas entity and of high integrity. Kansas Tourism reserves the right to reject any website, website listing, advertisement or coupon based on text or graphic elements.
