

The Korean Vietnam War Memorial, in beautiful Wyandotte County Lake Park, is maintained by the Parks and Recreation Department of the Unified Government of Wyandotte County / Kansas City Kansas.

The nation's first dual-war memorial was built through private fund raising and dedicated on Veterans Day 1988. The beautiful marble memorial is accented by two life size bronze statues representing soldiers from each war. Bronze plaques display the names of Wyandotte County residents who lost their lives or are listed as missing in action. A place for reflection and honoring our veterans.
