## Off-Street Path User Responsibility

- ### All Users
- Show courtesy to all path users.
  - Use the right side of the path unless passing.
  - Use lights and reflective clothing at night. All users are responsible for their own visibility.
  - Always pass on the left.
  - Obey all traffic signs and park rules.
  - Some path users cannot hear audible warnings or see other path users so slow down and pass carefully around people on the path.
  - Electric assisted bicycles and mobility devices used by people with a disability may be ridden on shared use paths.
  - Keep dogs on leash and out of traffic.
- ### People Biking
- Give an audible warning when passing others such as ringing a bike bell or saying "passing on your left"
  - Ride at a safe speed for path conditions slowing in congested areas, when visibility is limited or around curves.
  - Provide at least a three-foot clearance when passing.
  - Yield to people in wheelchairs.
- ### People Walking
- Watch out for other path users.
  - Listen for audible signals.
  - When in groups, leave half of the path open.
