

GET READY TO MEET...**IN VEGAS!**

TRAVELING AND MEETING FOR BUSINESS IS HERE AGAIN — AND IT'S AS SAFE AS POSSIBLE.

Traveling to Las Vegas and attending Professional Business Meetings and Events (PMEs) is often safer than everyday activities you already do. Here are some facts to help you and your business prep, plan and be put at ease.

MEETINGS DESIGNED FOR YOUR MAXIMUM HEALTH AND WELLNESS ¹

SECURELY UP IN THE AIR

- There is a lower risk of contracting COVID-19 in the air than there is at the office, classroom, train or grocery store.
- The same HEPA air filters used in hospital operating rooms are used on airplanes.

SAFE PMES, DEMYSTIFIED

- Have no history of being super-spreaders.
- Pose a near-zero (0.001%) risk of COVID-1 transmission – even at large events.
- 1000s of event spaces, facilities, hotels, airports and airlines undergo rigorous screenings to ensure high standards of health and hygiene are in place.

REAL STATS ON MEETINGS HAPPENING IN LAS VEGAS
