### Finance Comments:

The Las Vegas Convention Center District (LVCCD) Capital Fund was created as a result of the passage of Senate Bill 1 (SB1), in the 30th Special Session of the Nevada Legislature, providing for a one-half of one percent (0.5%) increase to transient lodging tax. The new revenues are legislatively restricted to support the capital financing program for the convention center expansion and renovation program. The LVCCD Capital Fund was created to properly account for all restricted LVCCD resources, in compliance with statutory intent and appropriate reporting standards.

<sup>(</sup>b) Report has been adjusted from the general ledger at December 31, 2018 to reflect actual SB1 room tax results, while the general ledger reports estimates for the quarter.
