FLOAT PARTICIPATION

FREQUENTLY Asked QUESTIONS

How do you enter a float in the Rose Parade?
Any organization or company may submit an application to sponsor a float in the Rose Parade. All applications are reviewed by the Tournament of Roses Float Entries Committee and Executive Committee.

How do you decide what floats to accept as part of the Rose Parade?
The Tournament seeks to maintain a balance of corporate, civic, non-profit, and international entries. New participants vary every year depending upon vacancies created by another organization’s departure.

When are new applicants officially invited to participate in the upcoming Rose Parade?
Official invitations are sent to new float participants after being reviewed by the Tournament of Roses Float Entries Committee and Executive Committee, typically within 45 days of the application submission. Generally, invitations are extended to new participants in early March.

How many floats are in the Rose Parade?
The Rose Parade features 40 to 42 floats each year. The parade’s two-hour live broadcast window makes it necessary to limit the number of participants.

What does float participation cost?
Float participation has two core elements: (1) design, construction and decoration of a high-value float presentation; and (2) integration into the Rose Parade, which includes organizational, broadcasting and spectator support; traditional, digital and earned media; post-parade exhibition at Floatfest; and tickets and hospitality. These costs generally begin at approximately $350,000 for commercial entries and $280,000 for non-commercial entries, with the actual cost dependent on the size and sophistication of the design, degree of animation, and variety of floral materials. The cost of each float is mutually agreed upon by the participating organization and a Tournament of Roses approved builder.

In addition, in order to expand reach and impact, the Tournament recommends investing an additional $25,000 activating at affiliated events or advertising in Tournament media.

Who actually builds the floats?
There are three official Tournament of Roses float builders. After being introduced to each builder, float participants select their builder of choice. An official float builder agreement must be signed within 60 days after receipt of the official invitation.
Frequently Asked Questions (cont’d)

How are floats designed?
After the float participant chooses a builder, they are encouraged to provide input to guide the design process. Marketing objectives, brand positioning, visual cues, and story elements help designers craft float presentations that serve the float participant’s goals. As the designer makes progress, the builder presents pencil sketches, then rough color concepts. Throughout the process, sketches are presented to the Tournament’s Design Variance Committee.

How can I ensure my design stands out?
In early February, the Tournament conducts a “theme draft” to ensure that any primary element is represented only once. (For example, a dragon, castle, fire engine, balloons, etc.) Builders are careful to offer designs that have not been claimed by another participant.

How long does it take to build a float?
Once a design is approved by the float participant and Design Variance Committee, the float builder can begin construction. Float construction is ongoing through mid-December, as each vessel can take two to four months to build and prepare for decorating.

How are floats decorated?
Starting in mid-November, volunteers are assembled to cover all visible surfaces of each float with natural materials. Until late December, decorators focus on dry materials, such as leaves, seeds and bark. By December 27, fresh flowers are added to the mix. The most delicate flowers, including roses, are inserted into individual vials of water and placed one by one onto the floats. Floats are completed for judging by December 31.

May a float represent a company’s product or service?
Float presentations are considered messages of goodwill offered by corporations and non-commercial entities. The Rose Parade historically promotes floral creativity and design ingenuity in its floats, while downplaying overt commercialism. Floats are encouraged to relate to the overall parade theme for the year. Prior to construction, the Tournament’s design review committee approves each float design.

Are floats allowed to feature non-organic elements?
The Tournament of Roses prides its longstanding, iconic tradition of featuring beautiful floral floats. On occasion, float participants and their builders present high-concept designs that incorporate non-organic elements. Past examples include a swimming pool for surfing dogs; a vintage automobile; and large video screens with cameras pointed at the streetside audience. Proposed non-organic elements are evaluated by the Design Variance Committee, which conditions approval on high entertainment value.
Frequently Asked Questions (cont’d)

How are riders and walkers selected?
Float participants have complete discretion over choosing the people to be featured in their Rose Parade presentation. Floats that choose to have people on board typically feature between 4 and 20 riders, who must be at least 12 years of age. Walkers (“out-walkers” in Tournament lexicon) are occasionally incorporated to add to the float’s story, spectacle, and interaction with spectators. Float participants are encouraged to treat each rider or walker as an ambassador whose Rose Parade participation will interest news community organizations and media from their hometown, city, or state. In addition, riders and walkers with standout stories may be of interest to the approximately 300 credentialed media who cover the Rose Parade each year.

What are the benefits of Rose Parade float participation?
The Rose Parade is among the most widely seen special events in the world. The parade attracts 750,000 streetside spectators, is seen by approximately 40 million U.S. broadcast viewers, is televised internationally in more than 120 countries. Rose Parade float participation offers mass audience reach, activation opportunities, and myriad opportunities to engage constituents and the media—all revolving around a one-of-a-kind, authentic storytelling canvas primed to support market position, inspire brand affinity, and motivate consumer behavior.

RECOMMENDATION
That the Board of Directors consider: 1) Delegating authority to the Chief Executive Officer (CEO)/President to abate rent due from American Express Open for the American Express Lounge at the Las Vegas Convention Center (LVCC) for a period up and through September 1, 2021; and 2) Authorizing the CEO/President to execute the required documents.

For possible action.

FISCAL IMPACT
FY 2021: $148,961.68
FY 2022: $148,961.68

PURPOSE AND BACKGROUND
The American Express Lounge (Lounge) has been operating at the LVCC since 2012. American Express Open offers an upscale, full-service meeting and resting location for American Express business and elite card holding customers and show attendees at the LVCC.

Since opening its LVCC Lounge, American Express Open has invested in renovations to the space three times, each time upgrading the level of the experience and the products and services offered. Customer feedback about the lounge is consistently exceptional.

In July of 2020, the Board approved granting American Express Open a rent abatement for the months in which the LVCC was closed to the public. As the LVCVA makes all necessary arrangements to welcome back its customers and guests, American Express Open is initiating startup plans to reopen the Lounge. While the LVCC began welcoming events in May, the number and sizes of those events were not conducive to the opening of the Lounge.
American Express Open anticipates reopening the Lounge in Summer 2021 with opening plans commencing shortly. Staff believes a rent abatement lasting through the reopening of the Lounge is appropriate. As such, staff requests abatement approval be delegated to the CEO/President for a period not to extend past September 1, 2021. Rent abatement will cease upon the reopening of the Lounge.
RECOMMENDATION

That the Board of Directors consider: 1) Approving an amendment to the FedEx Business Center Retail Operator License in the Las Vegas Convention Center (LVCC) authorizing a reimbursement of costs incurred by FedEx in establishing a new business center location in the West Hall, in the amount of $139,010.40, in the event that Las Vegas Convention and Visitors Authority (LVCVA) elects not to enter an optional extension of the License; 2) Authorizing the Chief Executive Officer (CEO)/President to execute the amendment documents.

For possible action.

FISCAL IMPACT
FY 2022: Potential Impact - $139,010.40

PURPOSE AND BACKGROUND
Since 2008, FedEx Office and Print Services (FedEx) has been operating in the Las Vegas Convention Center (LVCC) under a Business Center Retail Operator License for the purpose of providing customers, patrons, and others at the LVCC with commercial business center related retail services. FedEx’s performance in providing business services to show attendees and exhibitors at the LVCC has been outstanding, consistently receiving customer experience ratings over 4.7 (on a scale of 1 to 5) throughout the term of its License. The FedEx Office brand is widely recognized by our customers and is representative of the high standards of customer service expected from all building partners.
In November of 2020, the Board approved a new FedEx Business Services License Agreement (License) Extension lasting through November of 2025. As the LVCVA and FedEx negotiated the final terms of the License Extension, they agreed to an initial Extension term lasting through November 30, 2022 with a subsequent, optional, 3-year extension (Option) lasting through November 30, 2025.

Through the terms of the License Extension, FedEx has agreed to add a fourth business center location of approximately 2,800 square feet in the new West Hall of the LVCC. In the event the LVCVA chooses not to exercise the final three-year contractual Option in November of 2022, Staff requests authorization to reimburse FedEx the unamortized costs (Costs) in the amount of $139,010.40 to equip and fit out the West Hall location. If FedEx chooses not to execute the Option, the LVCVA will not be obligated to reimburse the Costs.
RECOMMENDATION
That the Board of Directors consider renaming the Las Vegas Convention and Visitors Authority (LVCVA) Services Building to the Taryle Spain Services Building.

For possible action.

FISCAL IMPACT
FY 2021: $4,500 Expenditure

PURPOSE AND BACKGROUND
Taryle Spain, affectionately nicknamed “TJ”, began his career with the LVCVA in 2001, and over the past two decades advanced through the organization from Services Shift Supervisor to Senior Director of Client Services. He was universally well-respected and will long be remembered at the LVCVA for his tremendous knowledge, willingness to drop everything to help a colleague out, and ability to get the job done. He led one of our hardest working and largest departments. The LVCVA is a better organization due to his leadership.

TJ’s smile, laugh and positive attitude were infectious as was his passion for the Green Bay Packers. Sadly, TJ passed away unexpectedly in February of 2021.

Pursuant to Board Policy 2.01, the Board must approve names of the LVCVA’s facilities upon recommendation of the CEO or his designee. As a tribute to his legacy, staff is requesting approval to rename the Client Services Building the “Taryle Spain Services Building”. LVCVA would like to celebrate the re-dedication of the building in his name with a small ceremony for his family, fellow ambassadors and any Board of Directors members who may wish to attend, on a date to be determined.

SUBJECT: TURNER MARTIN-HARRIS JOINT VENTURE CONSTRUCTION
MANAGER AT RISK CONTRACT – LVCC PHASE 2 CONSTRUCTION
MANAGER AT RISK AMENDMENT NO. 8

RECOMMENDATION
That the Board of Directors consider authorizing the Chief Executive Officer (CEO)/President to execute Amendment No. 8 to the Turner Martin-Harris (TMH) Joint Venture Construction Manager at Risk Contract for the Las Vegas Convention Center (LVCC) Phase 2 Project, increasing the total contract price from $900,142,129 to $901,235,483.

For possible action.

FISCAL IMPACT
FY 2021: $2,272,259

PURPOSE AND BACKGROUND
Staff previously reported to the Board the likelihood that the LVCC Phase 2 project will close out over budget. At this time, negotiations have concluded with the CMAR for the final contract price.

The total project cost, once soft costs are finalized, will be approximately $1,001,500,000, which is approximately a 2% increase, and within the Board-approved budget.

The LVCCD Capital Fund fiscal year 2021 budget includes budgeted (non-contracted) contingency for this approval.

SUBJECT: LAS VEGAS MONORAIL AND LVCC LOOP ADVERTISING SALES,
SPONSORSHIPS, AND NAMING RIGHTS AGREEMENT

RECOMMENDATION
That the Board of Directors consider authorizing the Chief Executive Officer (CEO)/President to execute an agreement (Agreement) with Intersection Media, LLC, in the amount of $3,000,000, for advertising, sponsorship, and naming right services related to the Las Vegas Monorail (Monorail) and Las Vegas Convention Center Loop (LVCC Loop) for a period of five (5) years.

For possible action.

FISCAL IMPACT
FY 2021 – FY 2026: $7,500,000 Revenue Estimate
$3,000,000 Not-To-Exceed Contract Expenditure

BOARD ACTION:

PURPOSE AND BACKGROUND
The Las Vegas Convention and Visitors Authority (LVCVA) issued Request for Information (RFI) #21-4684 in March 2021 for advertising, sponsorship, and naming right services for the Las Vegas Monorail and the LVCC Loop.

Five (5) organizations submitted a proposal for the RFI. After an internal interview and evaluation process, staff is recommending awarding the contract to Intersection Media, LLC (Intersection). Intersection has strong experience in transportation advertising, having worked for the Chicago Transit Authority, the Los Angeles County Metropolitan Transportation Authority, the New Jersey Transit Corporation, United Airlines, and others.
Las Vegas Convention and Visitors Authority Board of Directors' Meeting
Agenda Documentation
Meeting Date: June 8, 2021
Subject: Las Vegas Monorail and LVCC Loop Advertising Sales, Sponsorships, and Naming Rights Agreement

The Monorail has a number of physical and digital assets, including trains and stations, that provide opportunities for advertising, sponsorships, and naming rights. The Loop also has existing and future digital assets available for advertising. The proposed Agreement will grant Intersection the exclusive right to sell and manage advertising sales, sponsorships and naming rights for the Monorail and Loop. The agreement will also provide for a minimum revenue guarantee of $1 million to the LVCVA beginning in calendar year 2023. The revenue guarantee will grow 3% per year thereafter, and the agreement may be terminated by the LVCVA if the net revenue guarantee is not met.
RECOMMENDATION
That the Board of Directors consider authorizing the Chief Executive Officer (CEO)/President to execute a three-year revenue lease agreement extension with Southwestco Wireless, LP d/b/a Verizon Wireless, for the Paraiso cellular communication monopole site located in the southwest corner of the Las Vegas Convention Center Silver 3 parking lot.

For possible action.

PURPOSE AND BACKGROUND
The Las Vegas Convention and Visitors Authority (LVCVA) entered into the current lease agreement with Southwestco Wireless d/b/a Verizon Wireless (Verizon) on July 1, 2009; allowing operation of a disguised palm tree monopole cell tower (Cell Tower) on Las Vegas Convention Center (LVCC) property in the Silver 3 Parking Lot, adjacent to Paradise Road and the Renaissance Hotel. The cell tower is ideally located to provide exterior building cellular coverage for convention attendees visiting the LVCC, Las Vegas Monorail station, and immediate surrounding areas.
All costs associated with the operation and upkeep of the Cell Tower are borne by Verizon. LVCVA staff shall review any proposed modifications to the Cell Tower before Verizon can perform the modifications.

The proposed three-year lease renewal term will be effective from July 1, 2021 through June 30, 2024. Lease revenue payments are made monthly. The lease rate increases annually 4% (compounded) from the prior year's rate through the pendency of the lease agreement.
**RECOMMENDATION**

That the Board of Directors consider: 1) Authorizing staff to initiate arbitration proceedings against the Clark County Las Vegas Stadium, LLC; 2) Delegating to the Chief Executive Officer (CEO)/President the authority to make case related decisions during the pendency of the arbitration, including possible settlement; and 3) Increasing the CEO’s Signature Authority for outside litigation counsel, Pisanelli Bice, PLLC, to $250,000.

For possible action.

**FISCAL IMPACT**

FY 2022: Filing Fee - $3,850. Additionally, there will be outside legal costs associated with the arbitration that Staff does not anticipate will exceed the proposed, revised CEO’s Signature Authority for Pisanelli Bice, PLLC.

**PURPOSE AND BACKGROUND**

On or about March 13, 2017, the Las Vegas Convention and Visitors Authority (LVCVA) entered into a Naming Rights and Marketing Agreement (Agreement) with the Clark County Las Vegas Stadium, LLC (Stadium) for the Las Vegas Ball Park. The Agreement provides for an annual $4,000,000 sponsorship fee (Fee) which the LVCVA pays in four installments throughout the year.
In exchange for the Fee, the Stadium is required, amongst other obligations, to hold a minimum of one hundred (100) Events at the Las Vegas Ball Park. The Events include games, concerts, shows, exhibitions, and other related events that are open to the public. The Agreement specifies that if the Stadium fails to sponsor and host the minimum number of Events in a calendar year, the LVCVA is entitled to a credit towards the Fee which is calculated based on the number of Events held.

During the 2020 calendar year, the Stadium failed to fulfill its Event obligations. Attempts to negotiate a resolution to the dispute have not been successful. The Agreement requires arbitration in the event that a dispute cannot be resolved by the parties through a negotiated resolution process. As such, staff requests approval to initiate arbitration proceedings.
RECOMMENDATION

The Marketing Committee met on May 17, 2021 to meet finalists for the Las Vegas Convention and Visitors Authority’s (LVCVA) Advertising and Marketing Communications Agency of Record (AOR).

The Marketing Division facilitated meetings between each of the four agency finalists and the Marketing Committee members. Each agency had an allocated one-hour and forty-five-minute time block to outline its approach to marketing the destination. The Marketing Division’s specific assignment for each agency was to focus on marketing the destination to the Las Vegas leisure consumer. Agencies were asked to present a marketing plan and creative platform that could launch this calendar year.

The assignment is a typical step in an agency review process and was intended to see each agency’s unique approach and talent as applied to our business.

The four agency finalists included: Grey, Havas, GSD&M and R&R Partners.

A formal recommendation for the AOR contract will be provided to the Board of Directors in a future public Board meeting and the recommendation may include all of, or a portion of, the contracted scope of services to one or more agency partners. The current AOR contract expires on June 30, 2021, but includes an optional 6-month extension, which the Board approved during its June 9, 2020 meeting and which will be activated to cover the review period and any transition period as necessary.

This is an information item and does not require Board action.
