Dear John Marz:
   Chairman of LVCVA Board

Subject: Insights For Building Clark County and the Staye of Nevada

Thank you, the Board, and Staff for long hours and dedication for a Better County

Majority of business people have heard the following story of the massive rainstorm.

>> Cars are floating down the streets. A high clearance military truck is sweeping the neighborhoods to rescue the isolated folks stranded in their homes. The truck pulls up to Jim's house, who is on his porch.
   Captain yells to Jim, “Jim get on the truck now, we can't wait”.
   Jim answers “Go ahead Captain, I have been a good missionary and I will wait for God to rescue me.”
   >Water is up to the 2nd floor of Jim's house. Jim has moved up to the second floor. A small boat with members of the local Service Club, pauses in front of Jim's house and they yell to Jim to get into the boat, we can't wait.”
   Jim answers “Go ahead guys, I have been a good missionary and I will wait for God to rescue me.”
   >Water is up to the top of the brick chimney, so is Jim. A helicopter hovers above and lowers a rescue ring to Jim. The load master yells down “Jim slip the ring over your head, now, we are low on fuel and we can't wait.”
   Jim answers “Go ahead guys, I have been a good missionary and I will wait for God to rescue me.”
   >Flood waters rise, Jim drowns, sees St Peter, and yells at him “I was a good missionary and waited for your help and you didn't show.”

St. Peter calmly responds “We sent a truck, a boat and a helicopter, and you rejected all three, Welcome.”

The above story about Clark County. We are coming up on more dinners and another election and soon we will hear more promises to diversify the economy, lower healthcare costs, promises of jobs (BTW Focus on sales and the jobs will come), etc. Yet how many Chambers, Councils, Commissions, and marketing departments are promoting the conventions and conferences, that are open to the public, to learn of new opportunities for the County, let alone personally attend some of the conventions or conferences

Another possible action step for the County, would be to develop or relocate an active school for manufacturing representatives and trade association to the County. If you were responsible for picking a location for your group’s next meeting, would you pick the city with the new building or the city that had 5000 well trained families ready to leave Friday to go the city they left, to come to Las Vegas, and call on acquaintances and potential customers for the new items just demonstrated.

I've attached a copy of an email I sent out to the addressees, blind copied others, and hand delivered to others, afor a national alternative health conference organized by a local County Association, I listed possible reasons to attend. As far as I witnessed, I don't believe anyone invited attended

Respectfully,

RECOMMENDATION
That the Board of Directors consider authorizing the Chief Executive Officer (CEO)/President to do the following: 1) Execute a Purchase and Sale Agreement, Declaration of Restrictive Covenants, License Agreement, and Access Agreement with CB Investment SPA (Buyer), for the sale and licensed use of ten acres of land at Las Vegas Boulevard and Elvis Presley Boulevard (Parcel), in the amount of $120,000,000; 2) Expend up to $5,000,000 for license fees, closing costs, and other contractual items; and 3) Execute any additional documents necessary for the consummation of the Parcel sale and license agreement.

For possible action.

FISCAL IMPACT
FY 2022: Revenue: $120,000,000 of sale proceeds
Expenditure: $5,000,000 of license fees, closing costs and other contractual items.

PURPOSE AND BACKGROUND
1. The Parcel

In 1993, the Las Vegas Convention and Visitors Authority (LVCVA) purchased the approximately 20-acre Landmark Hotel site (Landmark Site) for $15.1 million. Until 2018, the Landmark Site was used for surface parking and outdoor exhibition space. In 2015, the LVCVA acquired the 26-acre Riviera hotel site (Riviera Site) for $182.5 million and completed the subsequent demolition and improvement for an additional $52.2 million. The Riviera acquisition and subsequent demolition and improvement became known as Phase 1 of the Las Vegas Convention Center District (LVCCD) project.
The LVCCD Phase 2 West Hall expansion was designed within the approximately 46-acre parcel combining the Landmark and Riviera Sites. In the summer of 2018, the Board approved the additional acquisition of parcels known as the Kishner and Siegel properties located off Convention Center Drive. These two acquisitions added approximately 9.6 acres at a cost of $63.3 million, increasing the LVCVA’s acreage west of Paradise to 55.6 acres. This additional acquired land allowed for the West Hall to be better situated on the property, particularly in relation to the adjacent hotel to the east.

The additional acquired land also made the Parcel available for sale for a higher and better use. The sale of the land area shown as Lot 1 (Parcel for Sale) in Figure 1 is not necessary for the efficient operation of the LVCVA’s facilities and will not adversely impact the building operation, customer utilization, or transportation circulation required for the new West Hall.

**Figure 1: LVCVA Land West of Paradise Road:**

Note: The slightly darkened portion of the Remaining Parcel shows the 2018 Kishner and Siegel land acquisitions.

In March 2019, the Board authorized the CEO to negotiate and execute a sales listing agreement with CBRE Inc. for the potential sale of approximately 10 acres of land along Las Vegas Boulevard.
2. Proposed Agreement and Related Documents

A. Purchase and Sale Agreement

The primary document for the Parcel sale is the Purchase and Sale Agreement (PSA). The key terms of the PSA are:

- The Parcel sales price is $120 million, or $12.0 million per acre if less than 9.8 acres.
- The initial deposit is $3 million. $1 million is due within nine (9) days of contract effective date, and $2 million is due at end of due diligence period, at which point the total deposit is nonrefundable.
- The due diligence period ends 90 days from the effective date, or approximately January 10, 2022.
- The closing date must occur no later than June 30, 2022, unless the buyer pays an additional $3 million deposit to extend the closing date. The extended closing date can be no later than October 31, 2022.
- The real property transfer tax will be buyer paid.
- If the LVCVA breaches its seller representations and warranties, there is a 3% maximum reimbursement to the buyer.

B. Declaration of Restrictive Covenants

The Declaration of Restrictive Covenants (Declaration) document requires that the property be developed under a definition of Establishment that generally requires customary resort and/or hotel operations in Clark County, Nevada, and prohibits any other use.

Additional key terms of the Declaration:
- The LVCVA has a right of first refusal if the buyer attempts to sell the land, unless such sale is to a related party of the Buyer.
- The Buyer is required to commence construction by January 1, 2031. If the Buyer defaults on this covenant, the LVCVA has the option to purchase the land for appraised fair market value, but not less than the original sales price.
- If the Buyer does not open an Establishment by January 1, 2034, the LVCVA has the option to purchase the land for appraised fair market value, but not less than the original sales price plus any development and construction costs.
- If the Buyer uses the property for any purpose other than as an Establishment, as defined by the Declaration, the LVCVA has the option to purchase the developed land for the original sales price.
- There are additional signage, maintenance and landscaping covenants.

The Declaration is required to be recorded and will run with any subsequent sale of the land.
C. License Agreement

The License Agreement allows the LVCVA to license, for a fee, the Parcel until the later of the commencement of construction on the Parcel or April 30, 2023 to allow LVCVA use for parking and outdoor exhibition and for the completion of the Resorts World Loop connection.

The License Agreement is required to be recorded and will run with any subsequent sale of the land.

D. Access Agreement

The Access Agreement allows the Buyer to access the property to perform Due Diligence and requires the Buyer to provide insurances and indemnifications.

3. LVCVA’s Required Use of Sales Proceeds

The LVCVA acquired the Riviera parcel with the proceeds of tax-exempt bonds. Tax-exempt bond proceeds have use restrictions. Generally, the proceeds must be used for qualified purposes, such as capital activity or for refunding the original debt. For either purpose, the sales proceeds must be expended within two years of the closing date.

The LVCVA intends to use the sales proceeds for capital projects, primarily the initiation of the LVCCD Phase 3 renovation project. The Board will be presented with any new capital project plans and budgets as part of the fiscal year 2023 budget.
Recommends that the Board of Directors consider authorizing the Chief Financial Officer to execute necessary agreements with Wells Fargo Bank, N.A., in the amount of $988,100, for the Las Vegas Convention and Visitors Authority’s banking and financial services for an initial period of November 16, 2021 through November 15, 2026 with one (1) optional contract extension, subject to future Board approval, for an additional five (5) year term.

For possible action.

Fiscal Impact

Estimated FY 2022: $126,400 ($119,000 credit card processing fees)
Estimated FY 2023: $192,200 ($181,000 credit card processing fees)
Estimated FY 2024: $196,200 ($184,700 credit card processing fees)
Estimated FY 2025: $200,300 ($188,400 credit card processing fees)
Estimated FY 2026: $204,400 ($192,200 credit card processing fees)
Estimated FY 2027: $68,600 ($64,500 credit card processing fees)

Total five-year expenditure - $988,100

Purpose and Background

The Las Vegas Convention and Visitors Authority (LVCVA) requires a comprehensive array of financial products and services, including online banking, daily cash balance reporting, wire transfers, direct deposit of payroll, trust and custodial services, Automated Clearing House (ACH) and electronic funds transfer (EFT) services, and merchant services (collectively, Services).
The banking services agreement between LVCVA and our current financial institution was entered into in November 2010, with a five-year renewal option that was exercised in 2015. In October 2020, the Board approved an additional one-year extension.

“Request for Proposal” (RFP) #22-4699, Bank and Financial Services, was publicly issued on the Nevada Government eMarketplace (NGEM) this summer. Evaluation criteria included ability to provide the Services, pricing, and technological capability.

The LVCVA received and evaluated proposals from six (6) qualified institutions in response to RFP #22-4699. The institutions included:

1. Bank of America, N.A.
2. Bank of Nevada (a division of Western Alliance Bank)
3. Bank of the West
