FISCAL IMPACT
FY 2022: $57,500 Expenditure

PURPOSE AND BACKGROUND
NRS 354.624 specifies that the Board of Directors, as the governing body of the Las Vegas Convention and Visitors Authority (LVCVA), must designate an audit firm, and provide notice of such designation to the Department of Taxation, no later than three (3) months before the close of the fiscal year for which the audit is to be made. The Southern Nevada Tourism Improvements Act, as amended by Assembly Bill 399 of the 2017 Nevada Legislative Session, also requires an annual third-party examination of receipt and use of funds for the LVCCD expansion and renovation.
The LVCVA’s Audit Committee Charter gives the Audit Committee oversight regarding the appointment of the independent auditors. In addition, per Section II of the Audit Committee Charter, the Audit Committee has the authority to engage the independent audit firm to perform non-audit services.

On March 13, 2018, based on the Audit Committee’s recommendation, the Board of Directors designated the firm of Piercy, Bowler, Taylor & Kern (PBTK) as the independent audit firm for a five-year period with annual reappointment. In July 2020, PBTK was acquired by BDO and the LVCVA’s contract with PBTK was assigned to BDO. The services for the fiscal year 2021 audit will represent the fourth year of the five-year contract period.

In accordance with the Audit Committee Charter, Section V, BDO’s latest peer review is provided for the Audit Committee’s review.

QCM Reviewer’s Responsibility

User’s Responsibility
Users of the materials and this report should carefully consider the scope of this review. They should also understand the intended uses and limitations of the materials as reflected in their user instructions and related information, as well as the level of explanatory guidance provided by the materials. Users of the materials are responsible for evaluating their suitability and implementing, tailoring, and augmenting the materials as appropriate. Therefore, the reliability of the materials is also dependent on the effectiveness of these actions and could vary from user to user. Further, there may be important elements of a quality control system in accordance with the Statements on Quality Control Standards that are not included in the materials that have been subject to this review.

Opinion
In our opinion, the system of quality control for the development and maintenance of the quality control materials of BDO USA, LLP was suitably designed and was being complied with during the year ended March 31, 2018, to provide users of the materials with reasonable assurance that the materials are reliable aids. Also, in our opinion, the quality control materials previously referred to are reliable aids to assist users in conforming with the components which are integral to the professional standards the materials purport to encompass at March 31, 2018.
