ITEM A. CEO/President’s Annual Performance Evaluation and Review of Fiscal Year 2022 Goals and Objectives

Steve Hill, Chief Executive Officer (CEO)/President thanked LVCVA staff for its accomplishments and recognized the value of the relationship between the LVCVA and its resort partners.

Mr. Hill summarized fiscal year (FY) 2021 accomplishments highlighting the following: the completion of the Las Vegas Convention Center’s (LVCC) West Hall expansion; acquisition and re-opening of the Monorail; opening of the Boring Company’s LVCC Loop; significant new LVCC sales; support of virtual conferences; sustainability efforts; COVID-19 pandemic response efforts including marketing communications and changes in messaging to all audiences; air service development; sports and special events development; the advertising and marketing contract RFP process and award; opening of a Telehealth facility at the LVCC; and the launch of the Hospitality Heroes program.

Mr. Hill outlined his FY 22 goals including the following: driving visitation by fueling a strong return of meetings and conventions and by maximizing domestic leisure demand; improving access to the destination by innovating and optimizing transportation solutions; and building a foundation for future success by elevating and expanding the Las Vegas brand.

Mr. Hill requested that the Committee consider: 1) Conducting his annual performance evaluation for fiscal year (FY) 2021; 2) Approving his proposed FY 2022 goals for recommendation to the Board; and 3) Designating a recommendation to the Board regarding his compensation based on overall performance and the accomplishment of the FY 2021 goals.

Vice Chair Sewald commended Mr. Hill and staff for their work during the COVID-19 pandemic and asked if Mr. Hill had a draft strategy plan for I-15 accessibility, to which Mr. Hill indicated he is following Vice Chair’s Sewald’s lead with I-11, and is happy to share what he has in mind.

Member Naft thanked Mr. Hill for his leadership.

Member Fiore echoed Member Naft’s comments.

Chair Spiegel praised Mr. Hill for the completion of the West Hall, accessibility and transportation accomplishments, and efforts for the return of conventions during a “tough time.”

Chair Spiegel recommended the inclusion of a room night goal in Mr. Hill’s FY 22 goals.

Chair Spiegel asked Committee members if they’d like to address Mr. Hill’s potential compensation at this time or wait until after Ms. Bateman has presented.

Member Scott DeAngelo echoed the previous remarks made by Committee members regarding Mr. Hill’s efforts during the COVID-19 pandemic and recovery period and requested proper recognition and reward for Mr. Hill and staff.

Chair Spiegel described current challenges in the private sector workforce, and asked what the attrition has been, as well as what the competitive factors are for consideration, to which Stana Subaric, Senior Vice President of People and Culture stated that a comp analysis had been completed with other government agencies, and the findings indicated that there is a range of 2-4.5% base pay increase that is being offered to their employees, and a bonus range of $1,000 to $1,500.

Chair Spiegel asked if the bonuses amount applied to management, to which Ms. Subaric confirmed.
Chair Spiegel asked about the attrition factor at the LVCVA, to which Mr. Hill responded it was no more than normal.

Chair Spiegel asked for Mr. Hill's insight on merit/bonus increases for the LVCVA's ambassadors, specifically e-class, to which Mr. Hill replied that merit raises will be between 2-4%, and will not be implemented until September, when all ambassadors return to full-time status.

Chair Spiegel asked if any bonus is being contemplated for LVCVA ambassadors, to which Mr. Hill responded that bonuses are not being contemplated, due to the loss of revenue during the year.

Chair Spiegel clarified that the LVCVA executive team would be at a 3% average merit raise, to which Mr. Hill confirmed.

Member DeAngelo expressed agreement and asked if there is a future time period when bonuses would be considered, to account for the time period where workload was heavy and there was no compensation.

Ms. Subaric confirmed that an evaluation can be done, and something could be presented in the future. Mr. Hill added that it was a decision for the Compensation Committee to make.

Chair Spiegel agreed with Mr. DeAngelo’s suggestion and asked if any Committee member had a recommendation for Mr. Hill’s increase.

Member Fiore expressed that caution should be exercised due to the ongoing pandemic, however the merit increase should be fair, to which Chair Spiegel agreed.

Member Naft recommended and moved for a 4% merit increase for Mr. Hill

Vice Chair Sewald asked if that increase would be effective immediately and if that would be just for the CEO/President.

Chair Spiegel clarified Mr. Hill’s comments that he felt it was inappropriate to receive a merit increase until all ambassadors returned to full-time status in September, and amended the motion for the 4% merit increase for Mr. Hill to begin in conjunction with the return of ambassadors to a full workweek.

Chair Spiegel clarified that the recommendation was without a bonus at this time, with the request that the Committee re-evaluate in approximately six months.

Chair Spiegel summarized the recommendation as follows: “Four percent, no bonus, implemented at the time that the other employees return to full-time employment.”

Fiscal Impact
FY 2022: TBD

Chair Spiegel moved, and it was carried by unanimous vote of the voting members to designate a recommendation to the Board of a 4% merit increase for the CEO/President to be implemented at the time that other employees return to full-time employment.

Chair Spiegel further amended the recommendation to include the approval of the CEO/President’s FY 2022 goals.

Vice Chair Sewald moved, and it was carried by unanimous vote of the voting members to approve the CEO/President’s FY 2022 goals.
ITEM B. General Counsel’s Performance Evaluation and Review of Fiscal Year 2022 Goals and Objectives

Ms. Bateman referred to a list she previously provided to Committee members regarding FY 2021 accomplishments and thanked the Legal Department staff for their resilience during the COVID-19 pandemic and an increase in workload. Ms. Bateman described her experiences during her tenure as the LVCVA’s General Counsel.

Mr. Hill pointed out the increase in responsibility and workload in the Legal Department and informed the Board that additional help would be hired in the Legal Department soon.

Chair Spiegel thanked Mr. Hill for his comments.

Ms. Bateman reiterated some of the goals she previously presented to the Committee and described her goals for FY 2022. Ms. Bateman detailed her operational goals as: Ensuring the LVCVA’s compliance with legal requirements; defending and protecting the interests of the LVCVA and the destination; effectively managing the Legal Department budget; and improving the efficiency of department responses. Ms. Bateman detailed her goals to support the LVCVA’s strategic goals and initiatives.

Ms. Bateman requested that the Committee consider: 1) Conducting her annual performance evaluation for FY 2021; 2) Approving her proposed FY 2022 goals for recommendation to the Board; and 3) Designating a recommendation to the Board regarding her compensation based on overall performance and accomplishment of FY 2021 goals.

Chair Spiegel expressed agreement with the direction of Ms. Bateman’s goals.

Member Naft asked Mr. Hill regarding his intended merit increase range for e-class ambassadors, to which Mr. Hill indicated the range would be from 2-4% with a targeted average merit increase of 3%.

Member Naft expressed appreciation for Ms. Bateman’s work and recommended a 3.5% merit increase for Ms. Bateman, and moved for its approval, as well as the approval of Ms. Bateman’s goals and objectives.

Fiscal Impact

FY 2022: TBD

Member Michael Naft moved, and it was carried by vote of the voting members, to: Approve the General Counsel’s proposed FY 2022 goals for recommendation to the Board; and designate a recommendation to the Board of a 3.5% merit increase based on overall performance and accomplishment of FY 2021 goals.

Chair Spiegel clarified that the effective date would be the same as Mr. Hills, when all LVCVA ambassadors return to full-time status.

ITEM C. Review of the LVCVA’S Rewards and Recognition Policy

Ms. Subaric outlined the contents of the Rewards and Recognition Policy highlighting the following methods or recognition: recognizing longevity; Authority Champion program; Customer Service Excellence Program, Hospitality Heroes program; and commemorative and special events. Ms. Subaric requested that the Committee consider conducting its annual review of the LVCVA’s Rewards and Recognition Policy providing awards for LVCVA ambassadors.

Chair Spiegel asked if this was the same program the LVCVA has had in the past, to which Ms. Subaric confirmed.
Chair Spiegel asked if the fiscal impact is the same as it has been in the past, to which Ms. Subaric answered that it has increased from last year's $35,000 since there were no Authority Champion or Customer Service Excellence programs at that time.

Chair Spiegel asked if the expenditure was consistent with prior years, to which Ms. Subaric stated there was a $25,000 increase due to the Customer Service Excellence program.

Fiscal Impact
FY 2022: $106,500 Expenditure

Vice Chair Sewald asked if it would be most appropriate to abstain from voting on this item due to the sponsorship partnership between the LVCVA and the Vegas Chamber, to which Ms. Bateman stated a disclosure is appropriate under Nevada Revised Statute 281(A).

**Member Naft moved, and it was carried by unanimous vote of the voting members to conduct its annual review of the LVCVA’s Rewards and Recognition Policy providing awards for LVCVA ambassadors and approve an expenditure for $106,500.**

**ITEM D. Compensation Committee Evaluation of Committee**
Ms. Subaric described the Compensation Committee’s responsibilities under its Charter, and requested that the Committee evaluate its annual performance pursuant to the Committee Charter.

Chair Spiegel stated that the Committee had completed its responsibilities and emphasized her appreciation for Mr. Hill's work during unprecedented times.

Member DeAngelo echoed Chair Spiegel’s comments, and requested a subsequent meeting to revisit compensation considerations.

Vice Chair Sewald expressed agreement with Member DeAngelo and applauded staff for its work.

**Member Naft moved, seconded by Vice Chair Sewald, and it was carried by unanimous vote of the voting members to approve the confirmation of the Committee’s fulfillment of its duties pursuant to the Committee Charter.**

**SET NEXT MEETING DATE**
The next Compensation Committee will be at the Call of the Chair.

**COMMENTS FROM THE FLOOR BY THE PUBLIC**

RECOMMENDATION
That the Compensation Committee consider approving for recommendation to the Board the following: 1) Changes to the LVCVA’s general compensation philosophy; and 2) The salary and bonus ranges of executive officers who report to the Board or the Chief Executive Officer (CEO)/President.

For possible action.

FISCAL IMPACT
FY 2023: None

PURPOSE AND BACKGROUND
The Compensation Committee’s Charter (Charter) requires that the Committee review and recommend to the Board for approval the LVCVA’s general compensation philosophy. The Charter also requires that the Committee annually review, and recommend to the Board for approval, title changes and salary and bonus ranges of executive level positions directly reporting to the CEO/President.

The LVCVA’s compensation philosophy and executive pay and bonus ranges were last approved by the Board during its July 14, 2020, meeting. The proposed modifications to the compensation philosophy and the executive level salary and bonus ranges are attached for the Committee’s review and recommendation of approval to the Board.
The Las Vegas Convention and Visitors Authority (Authority) seeks to provide a salary and benefits structure that is competitive with the markets in which we compete and recruit, allowing the organization to attract, retain, motivate, and reward highly skilled and talented ambassadors to successfully accomplish its mission.

The ambassador compensation program is designed to meet key objectives:

I. OBJECTIVES
   A. Attract and Retain Talent
      Create a competitive compensation package to attract qualified talent for the organization and achieve organizational retention goals for greater productivity and lower turnover costs.
   
   B. Reward Performance
      Provide reward through performance-based salary advancement and incentives, with extraordinary performance further rewarded at a level that recognizes the value of the ambassador to the Authority.
   
   C. Be Equitable
      Ensure all compensation is structured and delivered free from inappropriate bias or discrimination. Similar jobs will be paid equitably across the organization.
   
   D. Align with LVCVA Culture
      Seek to align rewards with a performance-oriented work culture to enhance service, accountability and ethical behavior while having fun, performing individual and team responsibilities.
   
   E. Be Transparent
      Maximize ambassador understanding of all reward elements of the total compensation package through regular communication.

II. COMPETITIVE SET AND TARGET MARKETS
The Authority will target the market median, or 50th percentile, for base salary comparisons for all relevant industry and labor markets. When there is elevated competition for particular talent, the Authority may pay above the 50th percentile to attract such talent.

   A. Target Industry
      Each division and job family will be benchmarked to the appropriate, targeted industry for salary comparisons to competitively pay, price jobs and create pay ranges. The target labor market may include destination marketing organizations, convention centers, hospitality, and other public agencies, with which the Authority competes for ambassadors.

For executive positions approved by the Compensation Committee and Board:
   - The Marketing and Sales positions will be compared to hospitality, and direct destination marketing organizations and convention center benchmarks.
Operations and administrative positions will be compared to destination marketing organization and local public sector benchmarks. Positions will be compared to hospitality, destination marketing organizations, convention center and local public sector benchmarks.

Administration positions (legal, finance, human resources, etc..) will be compared to local public sector compensation data.

B. **Pay Ranges**

Pay range minimums and maximums will be established from survey results using a mid-point as reference. Positions will be placed within the ranges based on a combination of internal and external value. The organizational compensation goal is an organizational compa-ratio of 1.0, measured by ambassador pay divided by 50th percentiles. All pay ranges will be reviewed periodically and adjusted when appropriate.

C. **Hiring**

The Authority will typically utilize the minimum to the midpoint of the pay range when making pay decisions for new hires but may hire within the entire pay range. Candidate qualifications will determine placement in the range. The more qualified an individual candidate is, the higher in the range the pay rate will be.

III. **PAY FOR PERFORMANCE**

Pay for performance is an integral part of the overall Performance Management Program. The Authority will annually establish an appropriate level of performance incentive to motivate and reward ambassadors, based on financial ability and market conditions.

An annual Performance Appraisal System will be used constructively to promote, create and maintain an environment that supports, demonstrates and enhances the mission, goals and the value statement of the organization.

Salary advancement and incentive bonuses will be based on achievement of results, in accordance to the values of the organization.

A. **Base Salary**

Minimum performance standards must be met to receive an increase to base salary. The percentage of potential increase will be based upon market (competitive wage growth) and financial conditions.

B. **Incentive Pay**

Incentive pay is tied to individual results. All eligible ambassadors will have the opportunity to be rewarded based upon performance and achievement of their goals. Please see the appendix for specific rewards by pay classification and title.

IV. **Benefits**

The Authority will provide value to the total compensation package through a robust benefit package for health and financial wellness. Total compensation will include:

- Health, life and disability plans;
- Participation in the Nevada Public Employee Retirement System (PERS) with 100% employer-paid contributions as required by Nevada Revised Statues (NRS) Chapter 286;
- Deferred compensation 457b savings program (employee only);
- Wellness initiatives to include Employee Assistance Programs (EAP), annual flu shots, etc.

Title: PARENTAL LEAVE POLICY

I. PURPOSE
To establish a leave of absence ("Parental Leave") option for Ambassadors who become parents, either through birth or adoption, but do not qualify for time away from work under the Family Medical Leave Act (FMLA)

II. SCOPE
The Parental Leave Policy applies to all Ambassadors upon hire.

III. OVERVIEW
A. Parental Leave provides time away from work for Ambassadors who give birth or adopt a child, or Ambassadors who welcome a child with their spouses and domestic partners, in caring for and bonding with their newborn or newly adopted child.

B. Parental Leave will be granted for up to twelve (12) weeks (Parental Leave Period) when no other leave option is available to the parent.

C. The Parental Leave Policy does not provide for paid leave beyond the LVCVA’s existing leave programs.

D. Parental Leave will be used concurrently with FMLA, the Nevada Pregnant Workers Fairness Act, and other legally provided leave programs.

E. Any questions regarding this Policy must be directed to the LVCVA Benefits team.

IV. GUIDELINES
A. Eligibility
   1. Parental Leave is available to any Ambassador who gives birth or adopts a child, or to an Ambassador whose spouse or domestic partner gives birth to a child and allows up to a total of twelve (12) weeks of continuous or intermittent leave as outlined in Section IV.B.
   2. When requesting Parental Leave, the Ambassador must provide at least a thirty-day (30) notice when feasible.
   3. All Parental Leave must be medically certified by a Health Care Provider and provide the estimated leave dates.
   4. If a portion of the time away from work can be certified under the FMLA or the Nevada Pregnant Workers Fairness Act, those leave types will run concurrently with Parental Leave.
5. If both parents are Ambassadors of the Authority, each parent will be granted up to twelve (12) weeks of Parental Leave which may be taken continuously or on a reduced or intermittent schedule.

6. No Parental Leave will be granted beyond the Parental Leave Period.

B. Time Away from Work
1. The twelve-week period begins on the first day the Ambassador is not available for work, either before or after the birth.
2. All Parental Leave time used for baby bonding may be taken in a continuous block of time or on a reduced or intermittent schedule.
   a. All reduced or intermittent Parental Leave must be approved by the Ambassador’s Department Head and the Director of Employment Records and Benefits.

2. All voluntary benefit premiums must be timely reimbursed to the LVCVA to maintain coverage. If there is a lapse in benefit coverage, the Ambassador may reinstate voluntary benefits according to eligibility rules.
3. If the Ambassador or spouse/domestic partner does not meet eligibility for LVCVA benefits, the qualifying period for benefits starts over upon return to work.
