STAFF REPORTS – DISCUSSION AND POSSIBLE ACTION
ITEM A. Review and Approval of Proposed Amendments to Board Policies
Steve Hill, Chief Executive Officer (CEO)/President, thanked the Policy Committee (Committee) and the Board of Directors (Board) for their input and consideration in reviewing the Board Policies (Policies), explained that the revisions to the policies provide clarity, consistency, and alignment with the Open Meeting Law, and thanked Lori Nelson-Kraft, Senior Vice President of
Communications & Government Affairs, Ed Finger, Chief Financial Officer, and Caroline Bateman, Legal Counsel, for their efforts on revising the policies.

Mr. Hill introduced Mr. Finger and Ms. Bateman to provide a summary of the proposed draft amendments to the Board Policies.

Member Goodman thanked staff for their efforts, emphasized the importance of the Board’s transparency and open communication, commented on recent appointments to the Policy Committee, and explained that she would abstain from voting on item A due to being unable to review the Policies due to time constraints.

Ms. Bateman discussed the revisions to the purpose of the policies and noted the removal of “president” from the CEO’s title in the policies.

Member Goodman asked if the removal of president was a titular nomenclature, to which Mr. Hill answered the removal recognizes the separation of the two positions, should there be a future hiring of a president.

Member Anton Nikodemus requested staff provide the reasoning of the amendments to the policies during the summary, to which Ms. Bateman agreed.

Ms. Bateman continued to discuss the clarifications to sections 1.02 and 1.03 – Board members’ terms of offices and Board officers.

Member Goodman commented on the organization of the Board officers, noted that the Chairman of the Board has consistently been an elected official, and asked Ms. Bateman to explain the reasoning for allowing a private sector Board Member to become Chairman.

Ms. Bateman stated that statutory requirements are silent regarding the number of officers from the private and public sectors and explained that the revision was made due to feedback from the Board.

Member Goodman reiterated her comments, highlighting the history of Chairmanship during her tenure on the Board.

Member Nikodemus clarified that the revisions provide flexibility for the Chairman position, to which Ms. Bateman confirmed.

Member Goodman inquired if there has been a private sector Chairman in the past, to which Member Larry Brown stated there has not been a private sector representative as Chairman and agreed with Member Nikodemus’s comments.

Ms. Bateman outlined the clarifications to sections 1.03 and 1.04(3) regarding training requirements, and powers and duties.

Mr. Finger outlined the delegation of authority of the Board, explained the amendment is requesting to allow the CEO to initiate, execute and amend agreements below $100,000, to initiate change orders on public works contracts for which the Board has not approved a contingency, up to 10%, which can exceed $100,000.

Member Goodman asked if Mr. Finger could explain the 10% language of Board-approved contracts or agreements, to which Mr. Finger explained staff is recommending deletion of that language.
Ms. Bateman noted no changes to section 1.04(5), mentioned the change in references of Legal Counsel to General Counsel, discussed the consolidation of the conflicts of interest section to the new section 1.04(6), described the change in section 1.04(10) special awards policy recommendations, and explained the new section 1.05, Board Travel.

Member Brown inquired if there were any changes to policy 1.04(9), Approval of the Expense Reports of the CEO and General Counsel, to which Ms. Bateman answered there were no changes to that section.

Member Brown clarified that the Treasurer of the Board should review and approve expense reports for the CEO and General Counsel, to which Ms. Bateman confirmed.

Member Brown expressed the importance of, and his support for the revisions to section 1.05.

Ms. Bateman discussed the clarifications made to sections 1.06, 1.08, 1.09(4), 1.10, and 1.12.

Member Goodman asked Ms. Bateman if there was any language regarding when meeting materials are provided to the Board, to which Ms. Bateman answered that it is required that the Meeting Agenda packets, including supporting materials, are provided to the Board in sufficient time for their review.

Ms. Bateman discussed the proposed revisions to sections 1.13, 1.14, 1.15, and 1.16.

Chair Thompson welcomed comments from the Committee.

Ms. Bateman discussed the proposed amendments to Article II, Powers and Functions of the CEO, explained that the revisions to Article II clarify the operations on business-related focus of the CEO and includes an inter-fund budget transfer authority, consolidation of sections related to convention center leases rental rates, lease rates, parking rates, and the movement of CEO procurement power to the new Article V.

Chair Thompson welcomed comments from the Committee.

Ms. Bateman discussed the proposed amendments to Article III, Powers and Functions of the General Counsel. Ms. Bateman explained the following revisions to Article III: removal of redundant language, a change of duty to make recommendations to Board Policies and resolutions, an addition for General Counsel to consult with the CEO and advisors regarding intellectual property, a requirement for quarterly reports to the Board Chairman with all litigation and other legal proceedings that involve the LVCVA, General Counsel’s training requirements as pertain to the Board, a revision to the risk management and records retention functions.

Ms. Bateman explained that there were no significant changes to Article IV, Intellectual Property Management, and noted the removal of language in section 4.05 relating to the removal of a provision that required Board approval solely on federal court actions to require such Board approval on all litigation matters.

Ms. Bateman introduced Mr. Finger to discuss the proposed amendments to Article V, Procurement and Disposition of Property.

Mr. Finger outlined the CEO’s delegation of authority, explained the amendment to Article V allows the CEO to approve and amend contracts up to $100,000, discussed that the CEO can dispose of personal property less than $100,000, explained that the CEO cannot acquire or dispose of real property without the Board’s approval, and outlined that the CEO can execute an agreement for outside Legal Counsel with General Counsel up to $100,000 with the Board’s ratification, and stated that Article V continues with the existing condition that any agreement or
amendment that the CEO executes under those authorizations valued at $50,000 or more are reported to the Board on a monthly basis.

Member Goodman requested clarification on the CEO’s signature authority, to which Mr. Finger explained that anything executed by the CEO between $50,000 and $99,000 is reported to the Board.

Member Goodman asked Mr. Finger if that authorization has previously been in place, to which Mr. Finger confirmed.

Member Brown clarified if the contract reports to the Board are monthly or quarterly, to which Mr. Finger answered that they are quarterly reports and presented to the Board as a regular monthly agenda item.

Ms. Bateman reviewed the proposed amendments to the new Article VI, *Code of Conduct and Conflicts of Interests Policy*, and outlined that the revisions in the policy mirror the State requirements through the Nevada Code of Ethical Standards as they relate to recusals, disclosures, and gifts.

Member Goodman asked Ms. Bateman to clarify the "seek or receive" language in section 6(a), to which Ms. Bateman explained that the “seek or receive” language is directly from the Code of Ethical Conduct, and outlined the perception of a potential impact on the Board’s independence of judgement relating to the contributor of the gift.

Member Nikodemus clarified that the language eliminates the perception of influence, to which Ms. Bateman confirmed.

Mr. Hill emphasized the importance of including language from the law into the policy, and clarified the difference between a de minimis gift and a gift used for a business purpose.

Member Brown clarified that it would not be considered a gift if a Board Member were to attend a luncheon paid for by the LVCVA, or if a Board Member is representing the LVCVA for a business purpose, and emphasized the importance of clarity in section 6(a), to which Mr. Hill agreed.

Member Brown asked Ms. Bateman to clarify the language of “sears” in the Purpose portion of section 6.01(1), to which Ms. Bateman answered the verbiage was a typo referring to the word “swears.”

Ms. Bateman discussed the revisions made to Section VII, *Disclosures and Recusals*, stating that the revisions were made to mirror the language of the Nevada Code of Ethical Standards, and discussed if a Board member were to have questions about their ethical responsibilities, including disclosure and recusal requirements, to consult with General Counsel or request an advisory opinion from the Nevada Commission on Ethics.

Ms. Bateman discussed the revisions made to Sections VIII and IX to match the language of the Code of Ethical Standards, explained the removal of the section regarding waivers, discussing that Sections XIII and XIV were consolidated into the training requirements, and discussed the revisions to policy 6.02.

Member Goodman asked Ms. Bateman if the violations included any form of harassment, to which Ms. Bateman confirmed. Member Goodman asked Ms. Bateman to clarify that is written in the policy, to which Ms. Bateman confirmed and clarified that it is any form of violation of the Code of Ethical Standards.

Mr. Hill noted the same policy is implemented internally to LVCVA staff.
Chair Thompson commended Ms. Bateman and Mr. Finger on a “great” presentation.

Ms. Bateman reminded Chair Thompson that the motion for approval should be “as amended”, since there was an edit removing a section under the CEO’s authority.

Member Goodman thanked Ms. Bateman for the thoroughness of the summary, and confirmed she will vote on item A.

Member Kiernan McManus stated he agreed with most of the revisions and expressed his thoughts about Chairmanship of the LVCVA Board, since it is a primarily taxpayer funded operation.

**Member Brown moved and it was carried by unanimous vote of the voting members present, including Vice Chair Rapson via telephone, to approve the Proposed Amendments to Board Policies, as edited.**

**SET NEXT MEETING DATE**
The next meeting will be at the call of the Chair.

**COMMENTS FROM THE FLOOR BY THE PUBLIC**
Daniel Braisted acknowledged staff’s efforts in the proposed amendments to Board Policies, discussed his past submissions to the Board, suggested the Committee add copyright and trade secret language to Article IV, Intellectual Property Management, proposed the Board and Committee Agendas include an “old business” section, and expressed his thoughts on ways for the public to submit ideas to the Board.

PURPOSE OF BOARD POLICIES

Board policies are written rules, statements, principles, or directives for making decisions and taking action. Their purpose is to serve as a guide when the Board carries out its governance duties. They are not so specific as to eliminate management discretion within their delegated authorities. Policies also establish a standard and recommended way of acting in challenging situations. Board policies function as a protective mechanism for the organization and individuals when a decision is questioned and, by pointing to an approved policy, is the framework for explaining how a conclusion was reached. An adequate, functioning, and appropriate set of guiding policies is not a substitute for thinking and cannot eliminate mistakes, including simple oversights and poor judgment.

The CEO has the authority to formulate and implement policies, in addition to these Board Policies, to conduct the LVCVA's day-to-day business.

PREAMBLE

The nature and objectives of every organization materially affects its operations and related governing policies. Accordingly, this “Preamble” to the Policies summarizes the LVCVA mission and nature of its operations so that the Policies may be viewed in proper context.

Unlike a local municipality that provides water and sewer services to its citizens that have no alternative provider and virtually no promotion, advertising and public relations costs, LVCVA is a destination marketing organization that also operates one of the largest convention facilities in the world. The LVCVA competes for visitors with the largest and finest visitor destinations and convention facilities in the United States and around the world. As a marketing organization, it seeks and nurtures relationships that directly affect Clark County's revenues next month, next year, and for decades to come.

As the destination marketing organization for Clark County, Nevada, LVCVA's mission is to attract an ever-increasing number of visitors to Southern Nevada. The LVCVA is established by statute and is unlike a typical convention and visitor's bureau in that it is not a membership-based organization. Although the LVCVA is a political subdivision of the State of Nevada, the LVCVA Board is unique in that its 14 board members include 6 representatives from the private sector sharing the LVCVA's unique objectives. The LVCVA's Board oversees LVCVA's policies, internal and external audits, executive compensation, the Las Vegas Convention Center District, and, through a Chief Executive Officer referred to herein as the CEO, all other activities of the LVCVA. The activities that the CEO oversees directly within budgetary constraints and powers and duties delegated by the Board include, among others, marketing, operation of facilities, human resources, finance, and public affairs.

If a majority of the Board does not approve the nominee, the Chair or Authorized Chair shall reopen the floor for nominations. The process outlined herein shall continue until the reorganization or vacancy fulfillment is complete.

3) The sitting Board Chair, or Authorized Chair, shall preside over the election of all officers before, if applicable, turning the meeting over to the newly elected Chair.

Board Members shall adhere to the same travel and expense report policies as LVCVA’s management, staff, and non-staff event participants. Such policies define and give examples and parameters of expenses that are reimbursable or not, incorporate the concept that business expenses must be reasonable, ordinary and necessary to LVCVA’s mission, specify how to handle exceptions, and the nature and extent of required supporting documentation. Such policies also include the concept that travel is only authorized for a reasonable, typically minimum number, of persons necessary to carry
out the business purpose and the route and mode of transportation must be consistent with scheduling needs.
