## QUICK FACTS:

- These are outdoor shows. There are no rain dates and no refunds for inclement weather.
- There will be a limited number of booth spaces available for each show and a very small number of spaces with electricity that will be assigned on a first come, first serve basis.
- Check-in with an event staff member is required for all shows. Early set up is not an option, however setup runs all night long and into the morning with a security guard on the premises.
- All spaces are 10'x10' to accommodate your tent in an outdoor setting.
- All spaces will be assigned. Exhibitors will receive their space number once they have checked-in with event staff. Every effort will be made to accommodate a "special space" request but will not be guaranteed.
- Overnight security provided on May 31, August 7 and September 27.
- There is no early take down, unless directed by the Event Coordinator. Failure to comply may result in not being invited back to participate in future shows.

## APPLICATION PROCESS:

- There are separate applications for each show.
- Payment is part of the application process. Your application is not complete and will not be considered until your payment has been received. Refunds will be given if your entry is denied or if the Chamber cancels a show. If payment is not received before the show is filled or 1 week prior to the show your application will not be considered.
- All entries will be juried in order to protect the integrity and enhance the variety of the shows. Entries will be selected based on handmade quality, uniqueness and diversity. The number of similar crafts will be regulated.
- Photographs are required if this is the first Minocqua Area Chamber of Commerce show you are applying for, if you are selling a new product or if we do not have all the required photos on file from a previous show. See the *Photographs* section for a list of images to be submitted.
- Application Deadline is 5:00 p.m. 2 weeks before each show (May 17, July 25 and September 13) or until full.
- We also require that each vendor fill out the Wisconsin Temporary Event Operator and Seller Information Form for each show
- After receiving your application, photos and payment you will be contacted within 2 weeks with news of your acceptance or rejection.

## HANDMADE PRODUCTS BY THE EXHIBITOR:

- The Minocqua Area Chamber of Commerce restricts any art or craft that is not primarily artistically conceived and handcrafted by the artist/crafter that wishes to sell products at our shows. **Items that will not be accepted include: pre-purchased, imported or mass-produced items.**
- Products that maybe described as hand-embellished, pre-purchased items should be original in conception, design and be primarily handcrafted.
- The artist/crafter who made the products is expected to be present during the entire show. It is not acceptable to send a relative or representative to exhibit and sell your work in lieu of your presence.
- Reproductions must be signed and numbered as to the size of the edition.
- Even though you are accepted into the show, the Event Coordinator will have full authority to disallow any exhibit that he/she feels has been mass produced or pre-purchased from a professional dealer or other source. (If your items are questionable, you may be asked to demonstrate how you have made the items during the show for all shoppers to view).
- Please understand that we try very hard to keep out wholesale products to make the shows fair and of high quality. Please do not be offended if we ask you for further documentation to validate your hard work.
