INDEPENDENT AUDITORS' REPORT

To the Board of Directors of the Newport and Bristol County Convention and Visitors' Bureau:

Report on the Financial Statements

We have audited the accompanying financial statements of Newport and Bristol County Convention and Visitors' Bureau (DBA Discover Newport) as of and for the years ended March 31, 2017 and 2016, and the related notes to the financial statements, which comprise Discover Newport's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Discover Newport as of March 31, 2017 and 2016, and the changes in its financial position, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplemental Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

Dansivari, Kimbell & Co., LLP

In accordance with Government Auditing Standards, we have also issued our report dated September 19, 2017, on our consideration of Discover Newport's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Discover Newport's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2017 AND 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Newport and Bristol County Convention and Visitors' Bureau (DBA Discover Newport) was created by the General Assembly of the State of Rhode Island (the State), having a distinct legal existence from the State and not constituting a department of state government. Discover Newport is a governmental agency and public instrumentality of the State.

Discover Newport was created to achieve the following purposes:

- To establish an operating program to promote and encourage tourism.
- To coordinate tourism activities within Newport and Bristol Counties and the State.
- To establish a fund to promote and encourage tourism.
- To aid the municipalities in Newport and Bristol County in resolving problems that may arise due to growth in the tourism industry and to improve the quality of life in Newport and Bristol Counties.

Discover Newport's principal funding source is a percentage of hotel tax collected regionally by the State and locally by the City of Newport (the City). Discover Newport's revenues received directly from the State represented approximately 25% and 24% of total revenues for the years ended March 31, 2017 and 2016, respectively. In addition, Discover Newport's revenues, which were collected by the City, represented approximately 62% of total revenues for each of the years ended March 31, 2017 and 2016. Also, accounts receivable from the State and the City represent approximately 21% and 58%, respectively, of total accounts receivable at March 31, 2017.

Basis of Accounting

The accompanying financial statements of Discover Newport have been prepared on the accrual basis of accounting, under which revenues are recognized in the period in which they are earned and become measurable. Expenses are recognized in the period incurred.

The financial statements are intended to present the net position and results of its activities of only that portion of the financial reporting entity of the State that is attributable to the transactions of Discover Newport.

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2017 AND 2016

Accounts Receivable

Accounts receivable include hotel tax receivables due from the City and State and advanced billings related to advertising. Discover Newport reports its accounts receivable net of an allowance for doubtful accounts. Discover Newport provides appropriate provisions for doubtful accounts based upon factors surrounding the credit risk and activity of specific customers, historical trends, and other information.

Discover Newport does not accrue interest on accounts receivable. Accounts are written off when Discover Newport has determined that there is no likelihood of collection.

Property and Equipment

Property and equipment is recorded at cost, or if donated, at fair market value. Depreciation is computed on the straight-line method over the estimated useful lives of the assets.

Intangible Assets

Discover Newport's intangible assets consist of computer software, website costs, and costs to develop a brand name and are being amortized on a straight-line basis over periods ranging from five to twelve years.

Revenue Recognition

Revenue is substantially derived from the hotel tax imposed by the State on the hospitality industry in Newport and Bristol Counties. Discover Newport receives a percentage of the hotel tax collected by the State and the City in accordance with Rhode Island General Laws Title 42 Chapter 63.1. The hotel tax is recognized as revenue in the month in which the tax was imposed by the State.

Discover Newport receives advertising income for advertisements placed in the visitor center and on their websites. Advertising income is earned over the life of the advertising contract. Revenue billed in advance is deferred, and recognized when earned. Discover Newport also receives commission income for tickets they sell for attractions throughout Newport and Bristol Counties.

Occupancy Expenses

For each of the years ended March 31, 2017 and 2016, Discover Newport paid the City approximately \$40,000 and \$41,000, respectively in connection with its occupancy of facilities owned by the City. The fair market rental value of the facilities has not been

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2017 AND 2016

determined and, accordingly, any market value adjustments in rent are not included in Discover Newport's operating results.

Advertising

Advertising costs are expensed in the period in which the advertisement appears for the first time. Advertising costs amounted to approximately \$486,000 and \$354,000 for the years ended March 31, 2017 and 2016, respectively.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through September 19, 2017, which is the date the financial statements were available to be issued.

5. SHORT-TERM FINANCING ARRANGEMENT

Discover Newport maintains a line-of-credit with a financial institution that provides for maximum available borrowings of \$100,000. Borrowings on the line-of-credit are due on demand and collateralized by substantially all assets of Discover Newport. Interest is payable monthly and is computed at the financial institution's base rate plus .50%. As of March 31, 2017, the financial institution's base rate was 4%. There were no outstanding borrowings on the line-of-credit as of March 31, 2017 and 2016.

6. ROOM AND OCCUPANCY TAX REVENUE

Discover Newport receives funding from the State in the form of a percentage of the hotel tax collected by the State and by the City. For the years ended March 31, 2017 and 2016, Discover Newport recorded hotel tax revenue as follows:

| | 2017 | 2016 |

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of the Newport and Bristol County Convention and Visitors' Bureau:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Newport and Bristol County Convention and Visitors' Bureau (DBA Discover Newport) as of and for the year ended March 31, 2017, and the related notes to the financial statements, which comprise Discover Newport's basic financial statements, and have issued our report thereon dated September 19, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Discover Newport's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Discover Newport's internal control. Accordingly, we do not express an opinion on the effectiveness of Discover Newport's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Discover Newport's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Discover Newport's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Discover Newport's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
