# 22 R. Visit Narvik 12th-15th December

#### Narvik, Arctic Experience

The Narvikregion is situated in the northern part for Norway above the arctic circle and right under the **Northern Lights** Oval. Between **steep mountains and narrow fjords** with the astonishing arctic nature as a backdrop, the region offers a wide range of activities and experiences.

You will have a unique and stunning view from our famous Ofotbanen railway while traveling with Arctic Train and from our Mountain Restaurant 656m. above sea, reachable with Narvikfjellet's Cable Car! The tour will also include a spiritual Sami experience and dogsledding with Husky Isogaisa, and of course a visit to the world's northernmost animal park, Polar Park.
