

City Break Stavanger

Stavanger gives you energy!

Description

The Stavanger region - grand nature with steep mountains and deep fjords. From outer reefs to sheltered villages. From steep vantage points to green valleys. Short distances to mountains and fjords. Wide-stretched beaches as far as the eye can see. Colourful culture and spectacular culinary highlights. Stavanger is the region's largest city.

We would like to take you on an Urban nature break™

Old Stavanger, The Canning Museum, The Graphic Museum and The Oil Museum

From oil to oil full circle! The tour starts with a walk through Old Stavanger with its 173 wooden houses, all under preservation order.

The Norwegian Petroleum Museum ©Norsk Oljemuseum

In the Norwegian Canning Museum we will experience the canning of sardines as well as the new Graphic museum.

www.iddismuseum.no/en/

A guided tour in The Norwegian Petroleum Museum. Experience the excitement and drama of the oil adventure, life on board the oil rigs and oil as a financial resource.

Fjord cruise, Lysefjord and Preikestolen

We cruise through the Stavanger archipelago, before sailing into the splendid Lysefjord and Preikestolen, 1.800 feet above the sea level. While cruising in this fjord it is an interesting thought that in many places the water around us is as deep as the mountains are high.
