Autumn colors and culinary experiences

26th-30th September 2022

ITINERARY

If there is ever a time to visit the mountains, it is during autumn. Experience the mountains exploding in colors, breath in the crisp, fresh air and try foraging for wild berries and mushrooms.

See the wonders and colors of nature reflected on spectacular plates of food at Skåbu mountain hotel. Visit their local mountain farm, and glide through moose-land on calm rivers in a canoe.

Soak in the 360° panorama view from the terrace at Danebu Kongsgaard, while relaxing with a cool drink and a local snack. Hike through peaceful forests to beautiful viewpoints on soft forest trails, and be on the lookout for wildlife
