Founder: Anna Hollensteiner & Corinna Windisch- both speak fluently Swedish and are learning Norwegian as well – and are real “fans” of Norway. Besides Anna and Corinna there are working four other ladies in the office.

Anna and Corinna are very experienced since they have been travelling a lot to Norway, the Norwegian Travel Workshops and have been participating in many other Innovation Norway Events like webinars, the Workshop in Hamburg and so on. For the upcoming winter season they want to take a look at family ski holiday possibilities in the Norwegian ski resorts, knowing that the high standard and family friendliness of these will fit perfect to their customers.

Besides this apartments in Oslo, family rooms at hotels with kitchenette that could fit families needs would also fit in perfect in their programme.

Besides journeys to Norway they sell trips to Island, Sweden, Denmark and Finland.

Customers satisfaction is high, Customers are very happy with Fjordkinds services, the company scores high also in Google reviews. The customers are willing to pay for a family holiday that fits their individual wishes. Customers are located all over in Germany, Switzerland and Austria.
