Subject: RE: Form Submission - Noise Comments
Attachments: LN 4 8 2017.pdf

Mr. Nero,
We have received your comments.

The routing of aircraft is due to the Temporary Flight Restriction (TFR), which is in place for the security of the President while he is in residence at Maralago.

The attached flight track illustrations show the pattern over your area on April 8, 2017 between 4:30PM - 5:30PM

Thank you for your comments.

Casandra R. Davis
Manager Noise Abatement & Community Affairs
846 Palm Beach International Airport
