Ms. Brown,

When the crosswind runway is in use (as weather and/or traffic patterns dictate) you will observe aircraft over your area.

This is not a change, although the runway is not used a great deal it remains a usable runway.

Thank you

Please see attached track.

General Information

First Name: Nancy

Last

Name: Spitzer

Email: [nancyhelenbrown@gmail.com](mailto:nancyhelenbrown@gmail.com)

Comments: In the past 7

days, the noise level from flights has greatly increased. I feel like the planes are so close and this goes on till 3 am in the morning.

Can

someone explain this change?
