Ms. Mc Giveron,

In response to your inquiry (below). We are working with Stellar Aviation in efforts to find a resolution to this activity.

Submitted: 2/1/2017

Wednesday, Feb 1st. It's now 10:10 in the morning. Every five minutes for the last half hour a small dark colored helicopter has been circling and flying over my house.

It is a bright sunny, no wind, and for once COOL day here.

I would like to open my windows and let in the air but I can't .

Because of the noise from the helicopter .Another complaint. Please stop this .

We apologize for the delayed response to your comment as we have made technical changes to the website.

Thank you for your comments.
