Mr. Coakley,

In response to your inquiry (below).

We are working with Stellar Aviation in efforts to find a resolution to this activity. Thank you for forwarding your observations.

This is to document that Resicum pilots are conducting and concentrating their non compliant training over the communities near the airport using the Red and White Sikorsky. So much for promises to respect the public and the County by helicopter pilots. Using runway 9, some of the confirmed times over Lake Osborne Estates are: 1:41, 1:46, 1:58, and 2:07 pm thus far as the training is ongoing.
