Ms. Hibbert,

In response to your inquiry (below). We are working with Stellar Aviation in efforts to find a resolution to this activity.

Please call me at 561-471-7468 during the next business day if you hear any additional night time flights.

Submitted: 1/31/2017

Helicopters flying over my house repeatedly for the past two weeks.

Not only are they flying over repeatedly they are flying at an extremely low altitude and most of them are military style helicopters.

Now I am even hearing them at night training over our homes.

We apologize for the delayed response to your comment as we have made technical changes to the website.

Thank you for your comments.
