

PORT EVERGLADES TARIFF NO. 12

Item No. 1024–Certificates of adequacy.

Issue No. 1

Effective Date: October 1, 2006

In compliance with the directives of MARPOL 73/75 and 33 CFR 158, operators of terminals or others as required by these regulations who are responsible for providing the capability of receiving oily waste and/or foreign garbage from vessels at Port Everglades are required to have a Certificate of Adequacy issued by the United States Coast Guard for each category as applicable.

The removal of oily waste can only be done by firms holding valid oily waste removal franchises issued by Broward County. A listing of current franchise holders is available from the Port Everglades Department, Business Administration Division.

The removal of foreign garbage from vessels is not a function regulated or franchised by Broward County. Foreign garbage removal must be in accordance with the rules and regulations of the United States Department of Agriculture's Animal and Plant Health Inspection Service (APHIS).
