

PORT EVERGLADES TARIFF NO. 12

Item No. 635–Wharf demurrage rates.

Issue No. 13

Effective Date: October 1, 2018

All cargo remaining in Port Everglades after free time has expired and not accepted for storage or remaining in Port Everglades after expiration of authorized storage periods, shall thereafter be assessed a wharf demurrage charge as detailed below. The vessel's franchised steamship agent or vessel representative is responsible for the payment of wharf demurrage charges.

Note:

- I. Located inside transit shed
- II. Located outside on open ground

3. Boats and yachts on cradles or trailers; per day each,.....	N.A.	\$61.30
4. Lumber, per ton per day or fraction thereof	\$1.10	\$.83
5. Containers, on or off chassis, containing cargo or empty; per day, each	N.A.	\$ 9.25
6. Steel products; per ton, per day or fraction thereof.....	\$1.10	\$.83

Item No. 635–Wharf demurrage rates. (Cont.)

Every two (2) calendar days after the initial commencement of demurrage, the franchised steamship agent or vessel representative shall complete and submit a Port Everglades Storage Inventory Count Form to the Port Everglades Finance Division, and shall submit copies of all delivery receipts supporting the data thereon. Inventory Count Forms required by this Item to be submitted on a weekend shall be deemed submitted in a timely manner if said forms are received on the immediately succeeding business day.

Failure to submit an Inventory Count Form in a timely manner or failure to provide all information requested (including all relevant delivery receipts) will result in a late charge of twenty-five dollars (\$25) per business day or any portion thereof for which the Inventory Count Form has not been submitted or remains incomplete.
