A guided tour can be scheduled for any day.

Mission

Our MISSION is to be a place where all people experience creation and inspiration!

How to find us

ARTISANworks is located on the corner of Blossom and Winton Roads, in the Blossom Business Center. Make a left off Blossom Road to enter the Business Center. AW is the large teal colored building. Additional parking is across the street at the yellow elephant.

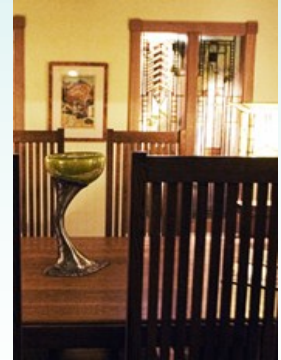

About us

ARTISANworks is a self-funded 501(c)3 not-for profit art space that exists without government aide. We rely on the generous support from both personal and corporate members, and donations of artworks and memorabilia. Our 50,000 square foot renovated factory building integrates arts of all kinds, events, and entertainment. We support regional artists through our art incubator program and their collection includes more than half a million items. ARTISANworks takes a multidisciplinary approach to the creation, presentation, interpretation, and collection of art.

Meals & Parties

Party it up with us and guarantee your guests a experience they will never forget! Our venue is second to none and our staff is trained to accommodate your every need.
